Screen: Experiment participation

Headline Text: Videogames & Science?

Text: If you want to help us show that video games can make a valuable contribution to science, you've come to the right place!

- Button: Info (this button leads to an information page that explains the purpose of data collection in more detail.)
- Toggle + Text: I hereby confirm that I am over 16 years of age and that I consent to my anonymized gaming data being made available for research purposes. I can revoke this consent at any time with effect for the future.
  For further information on data processing for research purposes, please refer to section 4.2 of our Privacy Policy.
- Toggle + Text: I do not want my data to be used for scientific purposes!

Text (only visible when consent toggle is active): Many thanks for supporting our research!

Text (only visible when consent toggle is active): How old are you?

- Slider (only visible when consent toggle is active): This slider lets you set a numeric value.

Text (only visible when consent toggle is active): What is your sex?

- Toggle Group (only visible when consent toggle is active): Male, Female, Non-Binary

Text (only visible when consent is not given): Too bad you don't support our research. We still wish you a lot of fun with the game and hope you enjoy it.

- Button: Privacy Policy (this button leads to the Privacy Policy)

- Button: Confirm! (this button starts the regular game)
- Button: Impressum (this button leads to legal information required by German law)
